

MATERIAL DESCRIPTION

Coala Chalkboard is a black chalkboard film with a pressure sensitive permanent polyacrylate adhesive, protected by a 1 side siliconised PE coated white kraft release liner. Coala Chalkboard is a durable vinyl film that can be written on with standard chalk. The film can be applied on surfaces such as furniture, wallpaper and other surfaces, which should all be tested before use. This material can be easily hand laminated without the use of special tools. Awarded Class 0 Fire Rating. Can be used with standard chalk or liquid chalk markers (water required for removal). Can be used to make unique chalkboard decals from die cut shapes or designs.
