

MATERIAL DESCRIPTION

Coala WallDesign NW S is a 195g/m² non-woven white matt wallpaper, optimised for Solvent-, Latex- and UV inks. Coala WallDesign NW S is PVC free and meet fire safety requirements. It guarantees excellent homogeneous print results and ensures very easy handling and excellent dry strippability. This paper is a good solution for situations where a strong, light and easy to use material is required. The range of applications is just as versatile as digital printing itself: in living spaces, children's rooms, restaurants, bars or hotels, on exhibition booths or commercial buildings. Suitable for digital printing using Eco-Solvent, Latex, UVgel, and UV-curable inks.

PRINTER & INK COMPATIBILITY

WEIGHT

195
g/m²
